2022 Schedule

Tentative schedule of meetings for 2022 discussed as far as being the first Tuesday of the month and work sessions on the third Thursday of the month, if needed.

Mike Baldwin

Mr. Baldwin would like to move his wife's fitness studio from a building on their property, located on State Route 176, to the Bilou Skating Rink located on State Route 3. The building would no longer offer skating, instead an exercise facility and possibly storage space. The Board instructed him to obtain a Site Plan Review application and come to the February meeting to begin a formal review.

Comprehensive Plan

The Town had applied for a grant to update and rewrite the current Comprehensive Plan in order to move forward on various legislation needed in the Town. New legislation needs to be tied to the goals and objectives of the Comprehensive Plan in order to proceed affirmatively through the County's 239 Review process. The Town was awarded a substantial grant and plans to begin the rewrite process in the coming year.

Planning Board

The Town Board passed a new budget including an increase in pay per meeting for each Board Member. A new Member was appointed to fill an ongoing vacancy. Lori Blackburn was appointed by the Town Board in January; she was welcomed by the planning members.
